CODE 212.1000
MAINTENANCE AND CLEANING OF EROSION AND POLLUTION CONTROLS

DESCRIPTION:

Subsection 212.03.3; Failure to Maintain Erosion and Pollution Controls, of the Standard Specifications requires that a daily charge be deducted from monies due the Contractor in the event the Engineer decides that erosion and pollution controls are not in place or have not been adequately maintained.

The contractor shall be held responsible for any and all cost associated with fines and clean up activities, over and above the penalty assessed herein resulting from contractor failure in this regard.

For each violation the charge for this Contract will be: \$1,000.00 per day.
